

Who is your Super Hero Action Figure?

When you are creating a character, like a superhero, you need to think about their background, how they became a Super, what kinds of things are important to them, and the superpowers they have. This template is a character worksheet to help you create your Super.

Background

1. What kind of person was your hero before he or she got superpowers?
2. What sort of job or educational background does he or she have?
3. How old is he or she?
4. Where does your Super live and what does he or she think about the world?

Origin Story

1. Was he or she born super or did his/her powers show up one day? How?

Secret Identity

1. Does your character have a secret identity? If so, why?
2. What happens if people found out who he or she is?
3. Do his or her powers make it harder to keep the secret-identity secret?
4. Has he or she told anyone who about being super? Why or why not?
5. How does your Super hide their identity?

Superpowers

1. What superpowers does your superhero have?
2. Does your superhero have a special mode of transportation?

What other ideas do you have about your Super?
